REQUEST TO WITHDRAW NOTIFICATION OF ABANDONMENT

Sir:

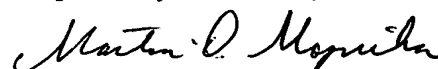

This is a response to the attached Notification of Abandonment dated March 12, 2007. By said Notification, Applicant was advised that the application went abandoned for failure to respond to the Notice of Missing Requirements dated June 7, 2006.

Applicant respectfully requests withdrawal of this abandonment Notification. As evidenced by the attached USPTO Mail Room OIPE stamp, Applicant, on June 30, 2006, did respond to the Notice of Missing Requirements, which response was made before the due date of August 7, 2006.

A copy of the submission made on June 30, 2006 is also attached herewith, as it appears the USPTO has misplaced the previous submission.

Withdrawal of the Abandonment notification is therefore respectfully requested, as is an action on the merits.

Respectfully submitted,

Martin D. Moynihan
Registration No. 40,338
